Book Details:

Review: Bravo to Mr. Fletcher. Those of us who fall deeply in love with certain books always proceed with trepidation when we are about to crack open the next installment in a series or trilogy--and perhaps we are a wee bit more critical of subsequent books because our expectations are so high. Suffice it to say, I was not disappointed in the least with Ironhand,...

Description: Now that George Chapman has upset the fragile truce between the warring statues of London, he has been drawn into a war that will test his mettle. He and Edie, a glint who can see the past, may have succeeded in their quest to find the Stoneheart, but their journey is far from over. Edie and the Gunner, a statue of a World War I soldier, have been captured...
